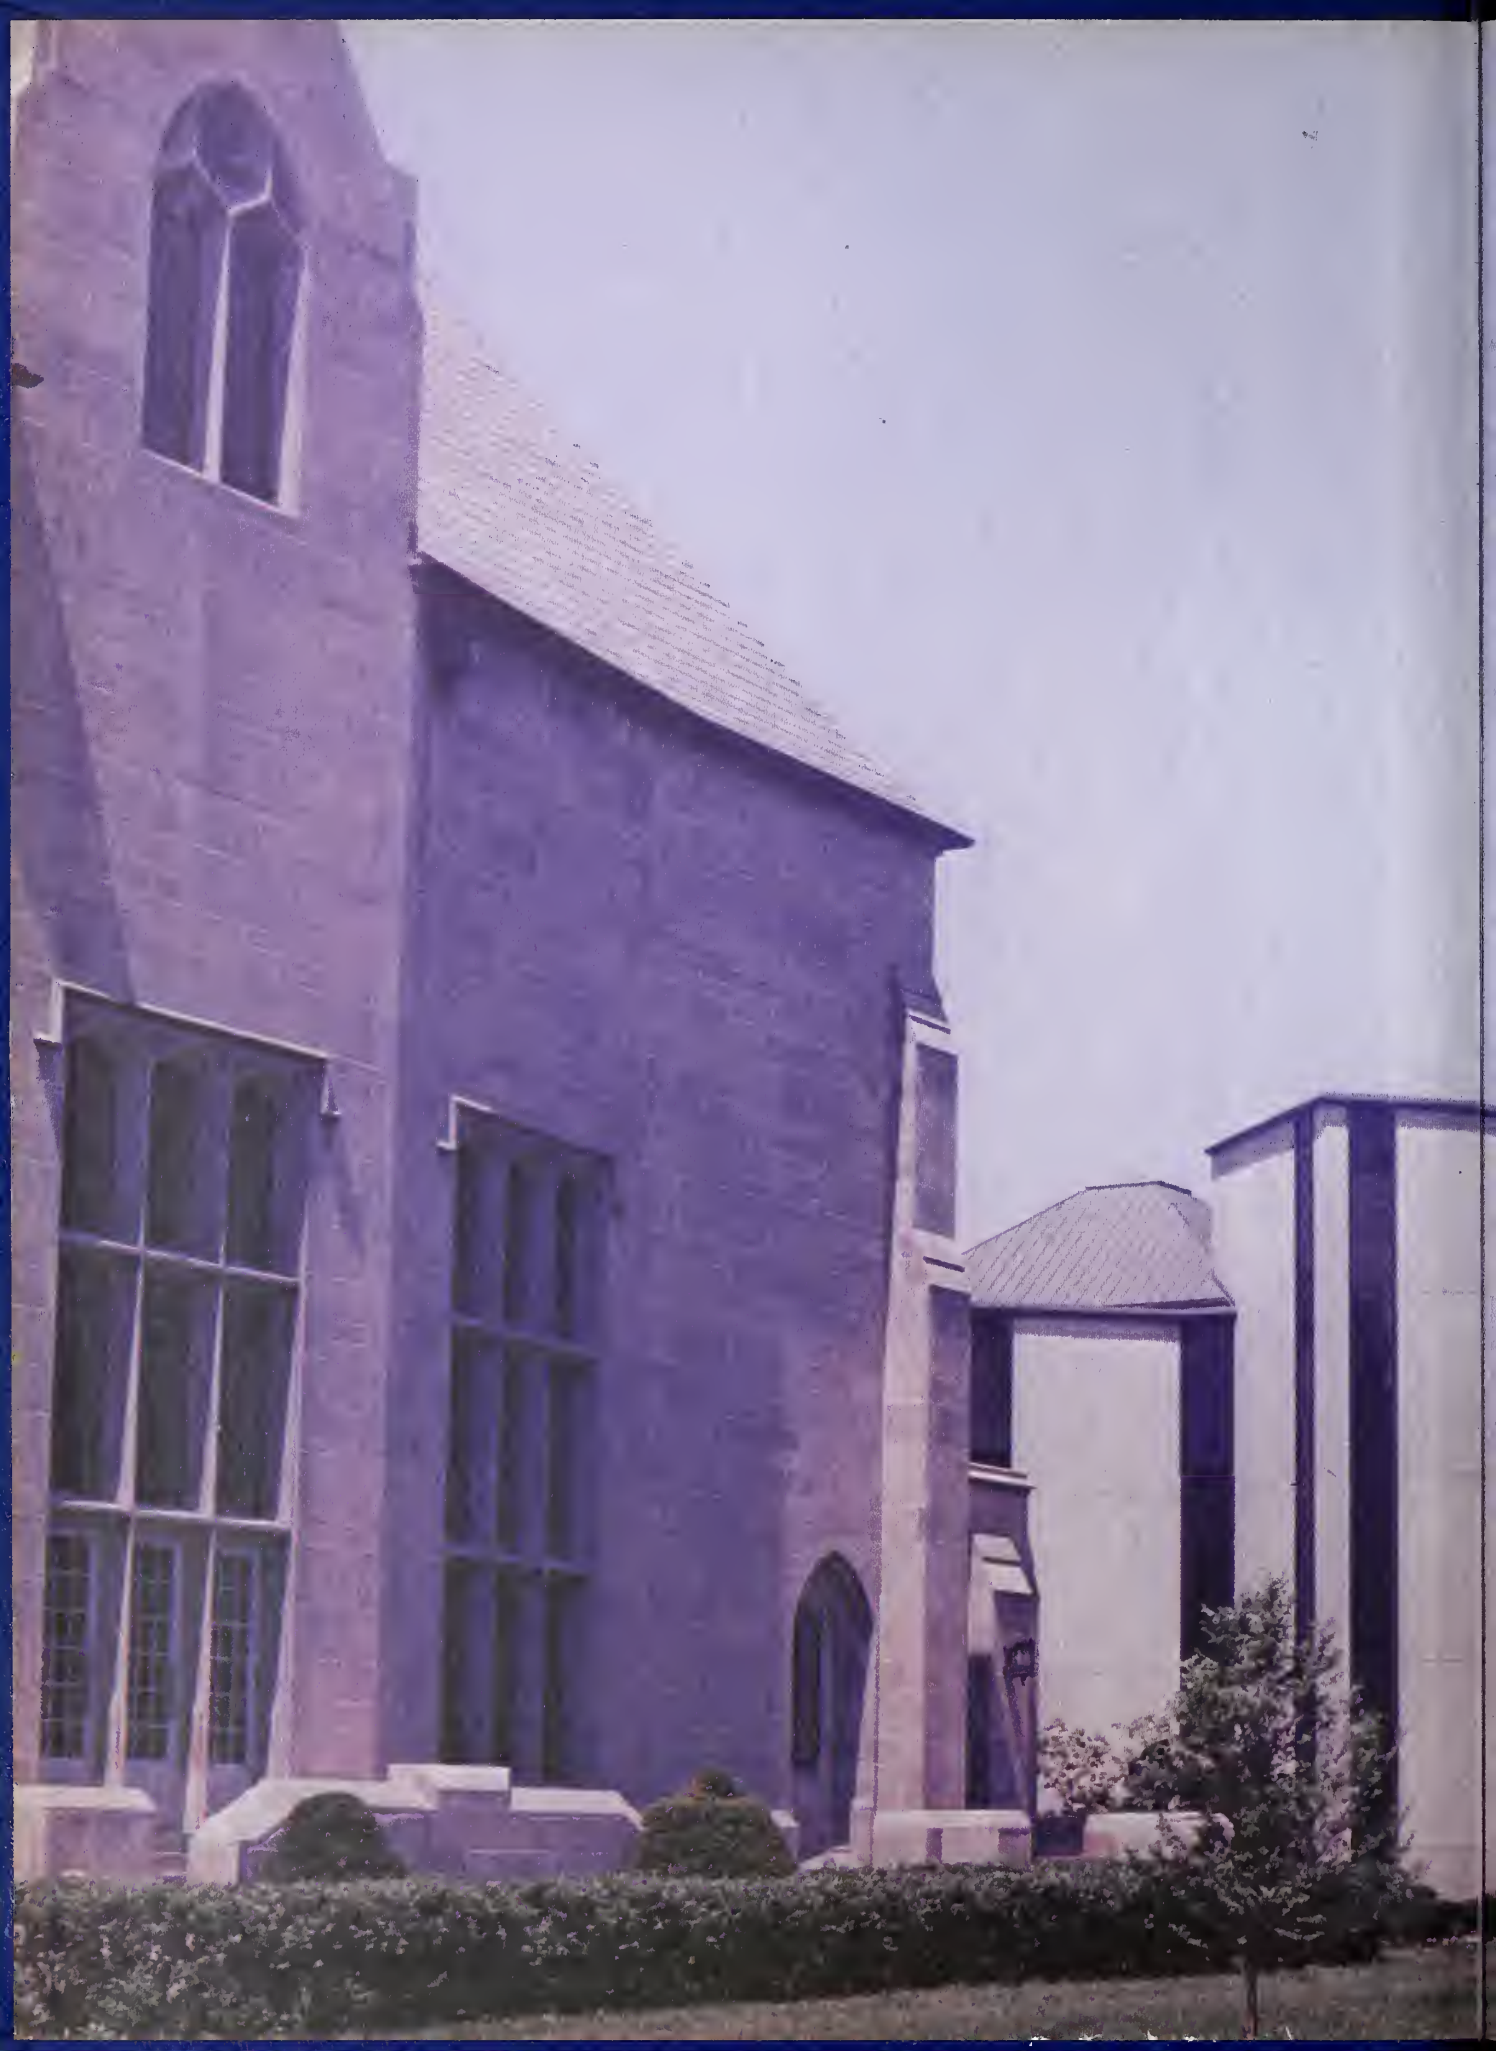
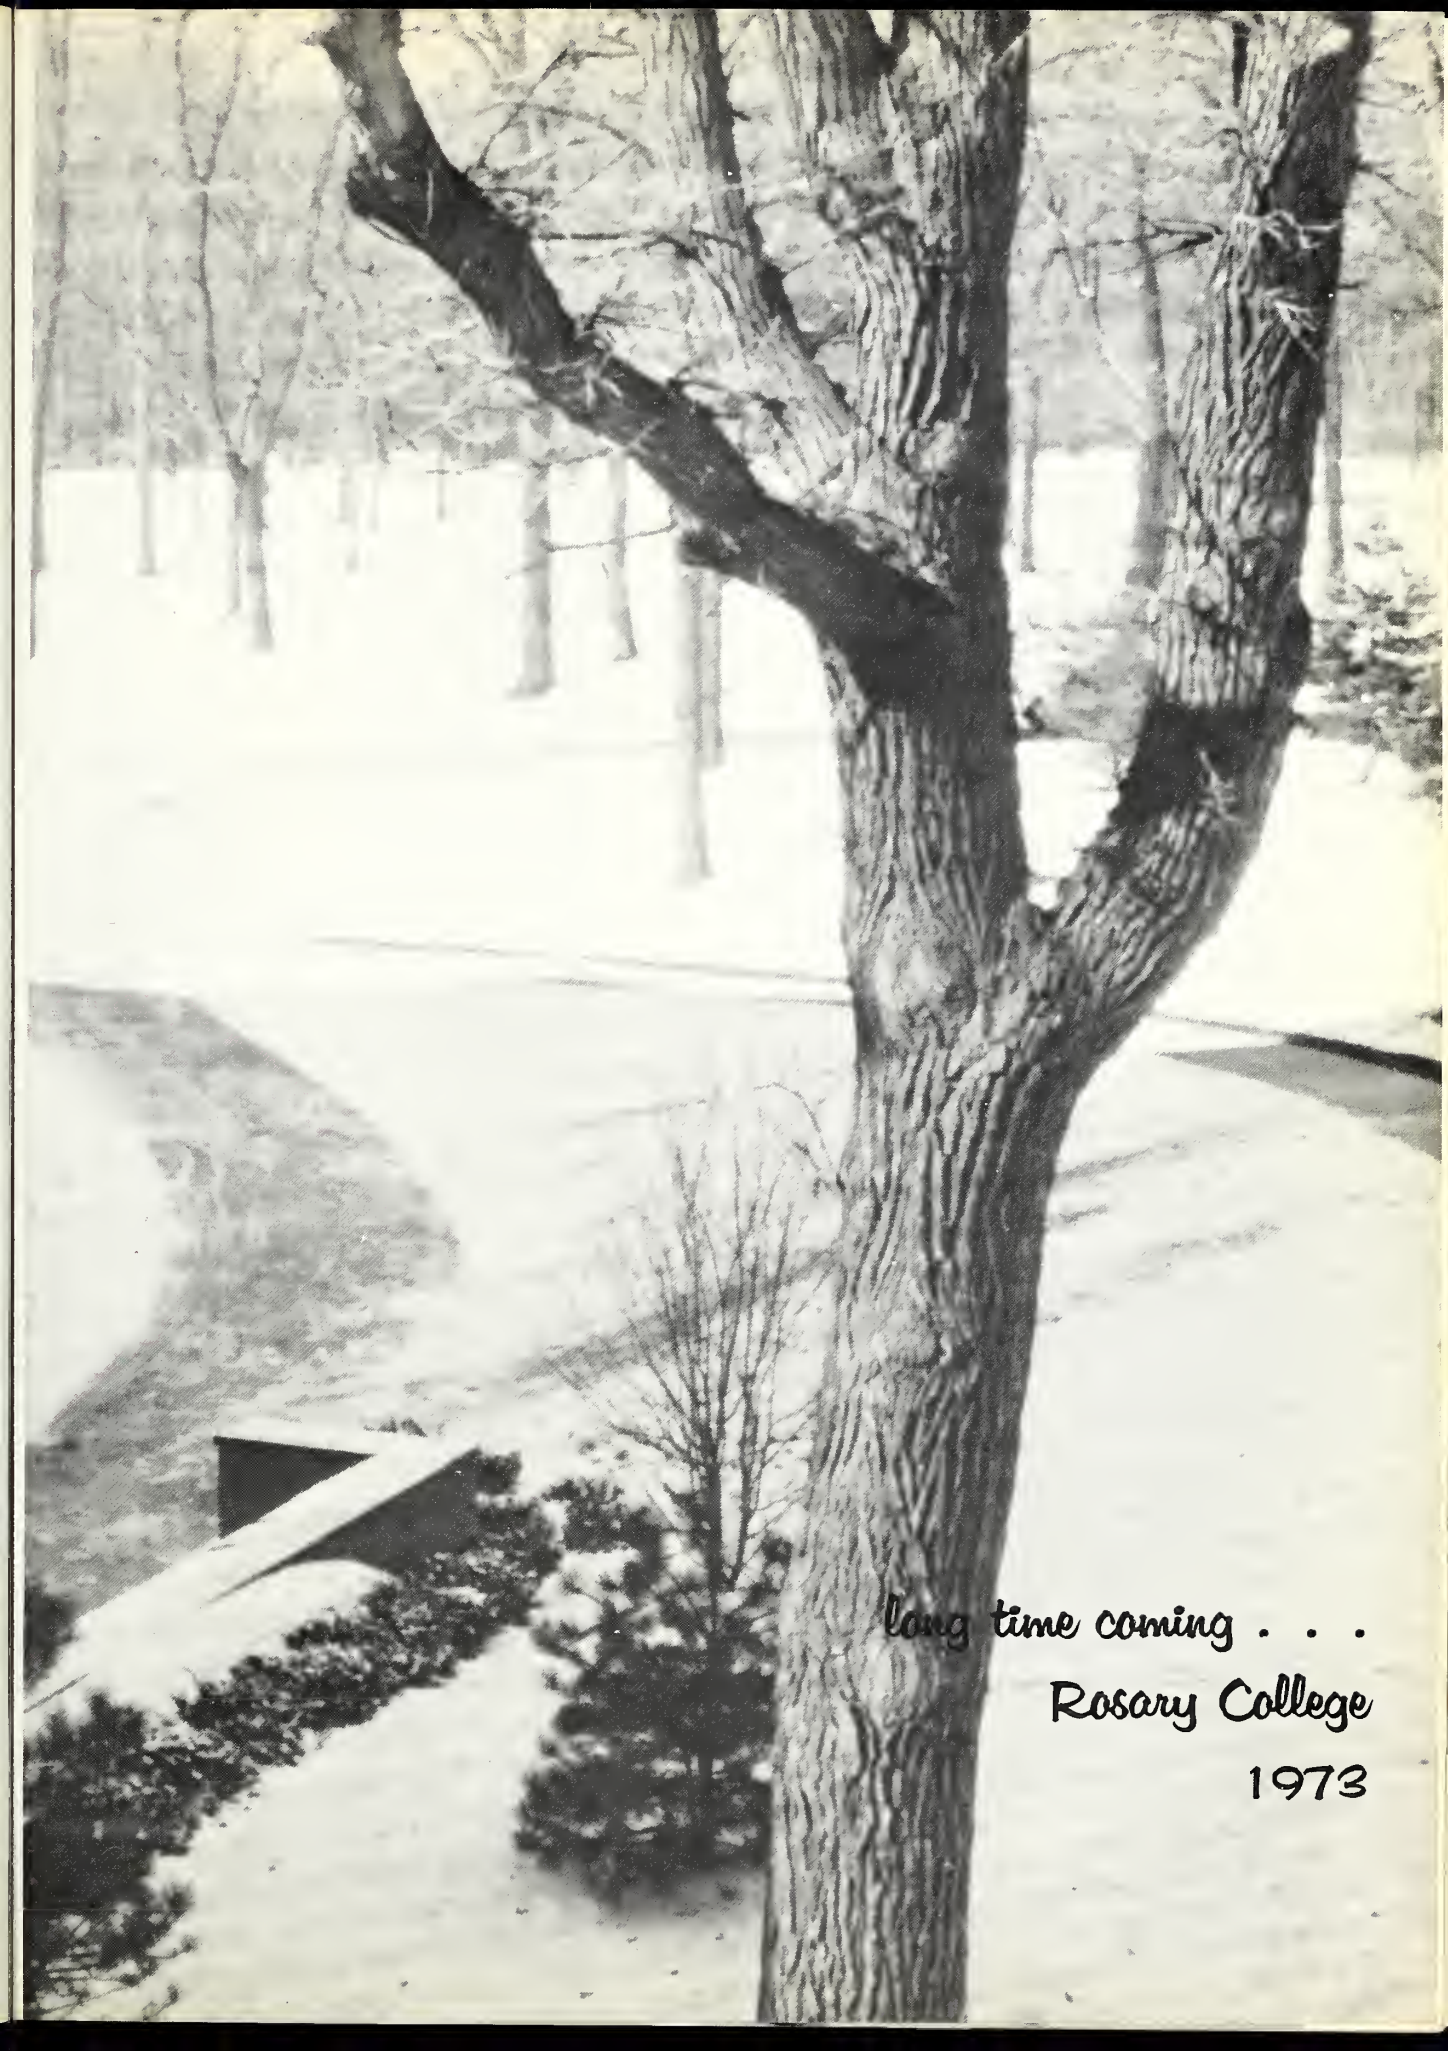
LONG TIME COMING





long time coming . . .

ADMIRAL

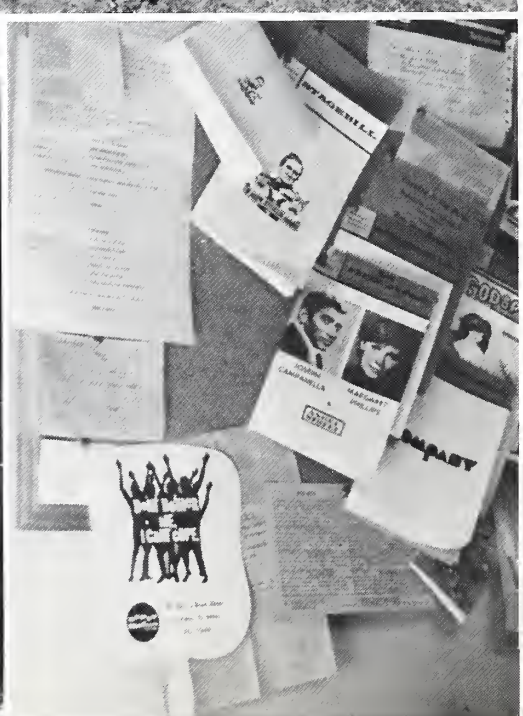
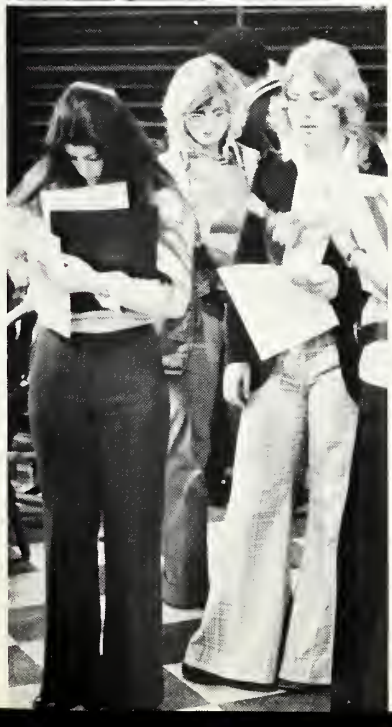
Time is my friend
for every time we meet
the time we spend is tender
and sweet.

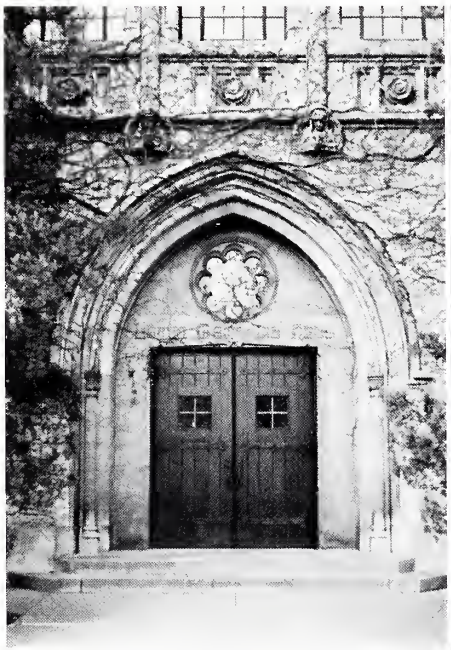
Sweet songs to sing
and pretty words to rhyme
and memories that cling
Thanks to time.





Wild paths to walk
and long talks to talk
and tall hills to climb
and mountains of time.

And then time to go
For everything must end,



but we'll meet again,
i know,
knowing time is my friend.

What are people if they can not dream; but merely carbon copies of each other. No one different but all the same. It is the dreamers of the world that are full of imagination and ideas. They are the same, as they can escape from reality, but always come back when they are needed.

is sometimes
as if a contest

as if the contest
